Please Read these Guidance notes first to
enable
you to fill in this Application form Correctly

It is really important that you are honest when you fill in the application form and that you understand that you require a **clean Police Record** to join the house of Gentlemen.

There are 3 stages you need to complete.

Stage 1:

Please complete the application form and send it back to the address as stated with a minimum of 2 fantastic (current) photos of you along with a current passport photo. Please put your name on the back of each photo and the date it was taken. Sorry, but we are unable to return any photos.

Stage 2:

If your application form is successful you will receive a call and an interview will be arranged. A letter confirming the interview along with the Police Check Forms will be sent to you direct. These will come with a full explanation of what you need to do. There is a fee of £10 which is payable direct to the Police Authority in your area.

Stage 3:

A second interview may be arranged or you will be requested to send your Police form confirming that you have a clean police record. A photo shoot may be required and this will be done at this stage. You may be required to do a one minute talk about yourself on video. This along with the photo shoot will be done by us at no charge to you. Please note that not every applicant will be asked to do this.

If you are not successful you will receive our standard letter thanking you for applying.
